

To whom it may concern,

It is with pleasure that I recommend Marek Muller and his new company Big Box Solutions as a business partner for his excellent services, professionalism, reliability and overall cooperation related to industrial logistic real estate solutions.

PST-CLC, part of Mitsui Soko group is a long term tenant of Prologis in the Czech Republic and I would also like to express my company's satisfaction with Marek's role while working for Prologis as Development and Leasing Director from 2008 until end of 2017.

I look forward to working with Marek Muller and Big Box Solutions, now and in the future.

Sincerely,

**Jiri Bradna**

**Director of Contract Logistics**
